Panel Discussions

Digital Technology - The Missing Piece?

Panel: Brother, M&R, Roland, Kiwo

- Digital Print and Screen Making technology – what's the ROI?
- Is digital direct to garment printing more complicated than screen?
- What about file preparation for digital printing?
- What about the durability of digital direct prints?
- What other equipment is required in addition to the printer?
- What new revenue and market opportunities exist beyond garment printing?

Sustainable Garment Printer: How Green is Green?

Panel: Kiwo/Ulano, Wilflex, T Formations, Nazdar, & SourceOne

- What exactly does it mean to be a Sustainable Printer?
- What is the impact of Sustainability on my business – is the effort worth it?
- Pursuing Sustainability adds costs to my business – Fact or Myth?
- How does the Consumer Safety Products Act (CPSIA) impact my business?
- What's the latest in environmentally responsible ink technologies
- What am I already doing that qualifies as Sustainable?
- Can I market my business as a sustainable printer to help me attract new clients?
